

Disclaimer:

Participating in this crowdfunding campaign is a contribution towards AI algorithms development and testing by EndoTech through a Decentralized Autonomous Organization (DAO) and the use of smart contracts on public blockchain. The smart contracts have been independently audited and verified. Crowdfunding campaign contributors shall receive staking rewards resulted from AI algorithms activity, as well as equity in EndoTech. Each contributor shall be required to go through KYC and AML verification. EndoTech is preparing for public listing, should EndoTech not go ahead with listing, the equity allocated for crowdfunding participants shall be converted into dividends for each contributor.

Past performance does not guarantee future results and is for informational purposes only. Historical performances shown are also the result of compounding profits. The rewards are contingent upon AI performance and results are not a guarantee. All performance shall be visible with full transparency to each crowdfunding contributor.

Each contribution tier that you fund lets you earn when those same tiers are funded within your Matrix.

Your crowdfunding Tier determines the tiers you earn from in the Matrix.

Higher contribution tiers funded in your Matrix will compress up to the next qualified member.
