The screenshot shows a mobile application interface for a crypto portfolio. At the top, it displays the time 19:10 and battery level 86%. Below that is a banner for buying crypto with a bank card. The main section is titled 'Portfolio' and shows a total value of '\$ 365.49'. A 'Token Filter' button is highlighted with an orange box. Below this, there's a section for buying crypto with a credit card. A list of coins is shown: BNB (\$ 42,893,108, -1.25%), BTC (\$ 38,616.45, -5.07%), and USDT (CHF 0.931802, -0.46%). The USDT entry is highlighted with a hand cursor icon. The bottom of the screen shows a navigation bar with icons for home, search, and other functions.
